Happy New Year!

Wow! I can't believe we are half way into the school year!

It's flying by for sure! I hope you and your family had a great and restful break! We will now be gearing up for the rest of the year! We have a lot to do!

We will be doing our middle of the year Reading benchmark January 14th to February 4th.

Attendance is very important on these days. They will be reading a nonfiction book and doing their written responses independently.

They've worked so hard up to this point!
