

Parent and Family Engagement Policy

North Canton Elementary

NCE Mission Statement for Parent and Family Engagement:

North Canton encourages the active participation of all parents in order to ensure the academic success of all students.

Requirements for being a federally funded program:

- Using researched base strategies and programs (ex. Leveled Literacy Intervention (LLI), Comprehension Toolkit, Investigations)
- Staffed by highly qualified teachers
- Consistent accountability and reporting
- Using state assessments such as EOGs
- Sending home NC Education Report Cards

Ways for Parents to be Engaged:

Parents as Teachers: You can monitor homework, listen and read with your child, and provide learning activities at home.

Parents as Learners: You can communicate with teachers and Title 1 staff and attend events such as STEAM Night, Reading Night, and Math Night.

Parents as Decision Makers: We need your opinion and thoughts. You could be asked to give your opinions on surveys, attend parent/teacher conferences, participate in parent/school groups at North Canton (School Improvement Team, Parent Advisory Committee, Parent Teacher Association).

Parents as Supporters/Advocates: We need you to volunteer at school, help organize activities, advocate for children, and attend school functions such as PTA, Family Reading and Math nights.
